- 5) Successful Bidder must be registered in SAMs Database before time of Contract Award.
SAMs Website: <https://www.acquisition.gov/>
(This website replaces the CCR and ORCA websites. If a contractor was already registered and valid in the CCR and ORCA websites, their data should have automatically migrated to the new SAMs website. Any new contractor entries, or entries that need to be updated, will now be handled through the SAMs database).

- 6) Contract Administration personnel assigned to this Contract are:
Contracting Officer Elouise Fowler and
Contracting Officers Representative Kenneth Elmore

Project inspector(s) have not been assigned at this time. Should project Inspectors be assigned, their designations of Authority will be furnished to the successful Offeror before the Inspectors perform their duties on the project.

Successful bidder will need to designate their administration personnel at the pre-work conference, which will be set up following award of contract.

- 7) Website for accessing full-text FAR clauses is: www.acquisition.gov/far/
- 8) Bidders will need to watch for the amendment that will contain the notes, questions, and answers from this meeting plus revised drawings/documents, and acknowledge that they have seen this amendment and any others that might be forthcoming during the advertisement time. Anticipated posting date for this Amendment is mid-afternoon of Friday August 2, 2013.

Amendment containing the notes, questions, answers, and revised documents will be posted on the following website: www.fs.usda.gov/goto/UASC/Contracting

- 9) Period of performance for this award will be 30 calendar days from issuance of Notice to Proceed. Date of Notice to Proceed will be negotiated at the Pre-Work Conference between the Government and the successful offeror following award of contract.
- 10) Wage Determinations do apply to this contract, the applicable Wage Determination scale is included in the solicitation package.
- 11) Technical Questions Raised During the Site Visit:

Q. Are both entry doors being replaced with Steel Doors?

A. Yes, both entry doors and their frames are being replaced with steel doors and new frames. The two screen/storm doors are to be removed intact, and re-installed once the new entry doors are installed.

Q. What is to be done with the sprinkler head beside the existing concrete walkway to the north entry door that is to have a new landing and ramp?

A. The sprinkler head will need to be relocated to a new location 6-inches outside of the new landing footprint, and at the final ground elevation. See Sheet 5 of the revised Project Drawings for details.

Q. What about the Electrical and Telephone services currently attached to the building?

A. The existing electrical and telephone services will need to be temporarily detached from the building during the siding replacement, and re-attached once the new siding is in place.

The Utility providers are:

Electrical: Garkane Power
Telephone: South Central Communications?

Q. Does the Government have a list of Certified Lead Abatement firms?

A. The list of Certified lead Abatement firms that received copies of this Solicitation is attached to these Notes. This is a partial list of Certified firms for Lead Abatement. The State of Utah Division of Air Quality maintains a full list of currently certified firms, at the following website:

<http://www.airquality.utah.gov/HAPs/lead/cont/contlist.pdf>
